FEMA ASSISTANCE/FIRE FIGHTER GRANTS:

Memorandum Submitted: Memo #2 Billing Ordinance for our consideration

Spalding Township Cost Recovery Ordinance – Since the large fire event in Menominee that lasted nearly two weeks a recommendation has been made that each township adopt a billing ordinance in order to recover some expenses in the event of another large-scale event that might have a state or federal declaration emergency. This would enable the state and federal governments to reimburse expenses for apparatus or personnel to entities with such ordinance in place. Dan presented a sample billing ordinance that specifies reimbursement at the federal rate as published by FEMA. Jim will be requesting our MTA lawyers to look into this matter.

A **FEMA** assistance grant has been applied for.

VETERAN’S PARK DECK: Jim inspected work at the Veteran’s Park. The beach area is in and the deck is framed in. The project is expected to be completed by the beginning of May.
